

Graduate Electrical Engineer – Building Services

Graduate Engineer - Building Services

Embark on your career journey with Jones King Partnership as a Graduate Electrical Engineer specialising in Building Services. Located in the vibrant Southwest of Bristol, JKP offers an exceptional opportunity for a recent graduate to kickstart their career by contributing to our diverse range of projects across Education, Healthcare, Commercial, Residential, and Leisure sectors.

About Us:

At Jones King Partnership, we've been making strides in the consulting engineering field for over 35 years. Based in Bristol, we're proud of our involvement in prestigious projects, such as the RIBA Stirling Prize-winning Kingston University Town House and the UK's first Passivhaus Secondary School, The Harris Academy Sutton. Sustainability is at the core of everything we do, and we're dedicated to conducting our business in a manner that minimizes environmental impact while delivering innovative solutions to our clients.

To learn more about us visit our website.

Key Responsibilities:

- Develop strong communication skills and attention to detail.
- Learn to manage time effectively and organize tasks efficiently.
- Collaborate within a team environment and seek opportunities for growth.
- Assist in conducting analytical tasks and report writing under supervision.
- Embrace mentorship opportunities from senior team members.
- Demonstrate adaptability and a proactive attitude towards learning.
- Attend design team, client, and site meetings to observe and contribute.
- Gain experience in electrical engineering building services design and calculations using relevant software.
- Support the production of technical specifications, reports, presentations, models, and drawings.

Experience & Qualifications:

- A degree qualification in Building Services Engineering or related field.
- Enthusiasm for learning and developing skills in the building services industry.
- Familiarity with relevant industry software is a plus but not required.

- A keen interest in pursuing professional accreditation (e.g., Chartered or Incorporated membership of IET or CIBSE) in the future.

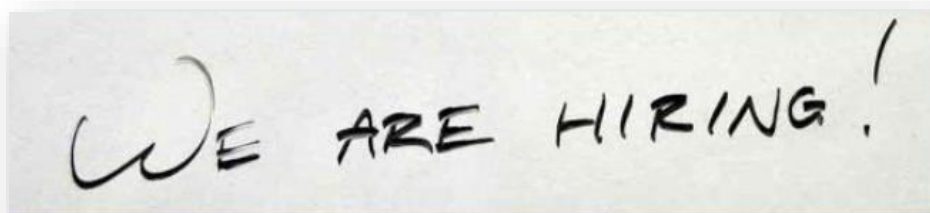

Benefits:

- Competitive salary.
- Opportunity for professional development and mentorship.
- 37-hour workweek with hybrid working arrangements.
- Generous 25 days holiday entitlement.
- Company Pension Scheme.
- Cycle to Work scheme.
- Private Healthcare.
- Life Insurance.
- Flexible parental/carers leave.
- Annual Performance Bonus.
- Recruitment referral bonus scheme.
- Mentor support for professional accreditation.
- Membership to professional bodies or subscriptions.

Application:

If you're enthusiastic about this opportunity, please send your CV and a cover letter to office@jonesking.com. Rest assured, all inquiries will be handled with the utmost confidentiality.

JKP actively promotes equality and diversity and is committed to eliminating discrimination in all its forms. We are proud to be an equal opportunities employer.
