

## Senior Electrical Engineer – Building Services

Join our dynamic team at Jones King Partnership as a Senior Electrical Engineer specialising in Building Services. Located in the vibrant Southwest of Bristol, JKP offers an exciting opportunity for an experienced professional to contribute to our diverse portfolio of projects across Education, Healthcare, Commercial, Residential, and Leisure sectors.

### **About Us:**

At Jones King Partnership, we've been making strides in the consulting engineering field for over 35 years. Based in Bristol, we're proud of our involvement in prestigious projects, such as the RIBA Stirling Prize-winning Kingston University Town House and the UK's first Passivhaus Secondary School, The Harris Academy Sutton. Sustainability is at the core of everything we do, and we're dedicated to conducting our business in a manner that minimizes environmental impact while delivering innovative solutions to our clients.
